Corridor in GMS

The HUB

- **Strategically located** in the connected areas of ASEAN and hub of Greater Mekong Subregion.
 - Northern border connected via Myanmar to China & India.
 - Eastern border connected via Lao & Cambodia to Vietnam.
 - Southern border connected via Malaysia & Singapore.
- **Total population is 64 million** of which approximately 9.3 million live in Bangkok and vicinities. 94% of the population are Thai-speaking Buddhists.
- More 2/3 of GDP is **export-dependent**. Thailand is
 - The world's largest cassava exporter.
 - The 2nd largest exporter of gypsum.
 - Leading exporter of rice and shrimp.
 - Exporter of high-tech products such as integrated circuits & parts, electrical appliances and vehicle.

According to HSBC's global research report - Thailand would be the world's 22nd largest economy in 2050, the 3rd largest in South East Asia after Indonesia & Malaysia.

Bangkok Cross Border Trucking Hub

1. Fully accredited for "Inland Cross Border" for shipments to/from Laos, P.D.R., Myanmar and Cambodia, Vietnam and Malaysia.
2. Trailers / trucks for domestic & International shipping.
3. Low-base truck for oversized items & heavy cargoes.
4. Our trucks are fully licensed by the Department of Land Transport for "Inland Transportation".
5. One stop / Multimodal transport: for any shipment to/from any countries in the world via Thailand, by sea and/or air, then shipped by inland truck.
6. Thailand is a key facilitator for cross border transportation thanks to the location of the country. We provide domestic and cross border transportation, using 6 and 4 wheelers, and closed vans for FTL and LTL shipments.
7. We have launched a new service of inland cross border door-to-door trucking between various countries: Thailand, Malaysia, Singapore, Vietnam, Laos & Indonesia.
