

Indonesia Shipping Instructions / Documents Issuance Airfreight

Whilst issuing the shipping documents for Air freight, please comply with the following:

Consignee on MAWB Must be full style address PT.Dextrans Worldwide Indonesia
Consignee in HAWB Must be full style address of consignee

Shipment information on MAWB if no HWAB issued (Master Direct)

Description of goods

- Number of packages and package type eg.carton, pallet,etc
 - Gross weight
 - Net weight
 - Volume per package
 - Issuing date to tally both, Master & House Air Way Bill.
-
- Minimum 3 items of goods to be inputted in the description of goods if more items are shipped.

Shipment information on MAWB If HAWB issued (Back to Back & Consolidation)

- No requirement to input minimum 3 items of goods in the description if more items are shipped.
- Instead insert the word “ consolidation” in replace of the number of goods shipped irrespective whether it’s one or more item.

Documents required for customs clearance in Indonesia to be attached in the pouch together with the cargo that to be handed to the carrier at Airport Departure.

- Master Airway Bill
- House Airway Bill
- Packing List
- Fumigation Certificate if cargo ship in wooden pallet
- Insurance certificate (if shipment on CIF term)
- Certificate of Origin (if shipment on project basis)

Warning : Do not in any circumstances attached COMMERCIAL INVOICE in the pouch together with the cargo. Failing which will result in cargo being compounded and subject to customs investigation.

Failing to comply with the above requirement will result in high storage charges at Indonesian Airport due to delay in customs clearance process.
